Tailem Bend Medical Centre on: (08)85 - 723555

Zenith Physio has recently been established within Tailem Bend Medical Centre to offer you, as our name implies, the best quality physiotherapy services. Our mission is to provide long-term relief from pain and discomfort by promoting self-management, freedom of movement and improved fitness.

The Principal Physiotherapist, Han, at Zenith Physio is a highly qualified, APA titled Musculoskeletal Physiotherapist, who has interests in managing all types of spinal, muscular and orthopaedic conditions which include:

- Neck & Back Pain
- Cervical & Tension related Headaches
- Sports Injuries (Sprain/Strain/Bruise)
- Post-Operative Joint Surgeries & Replacement
- Degenerative & Arthritic Conditions
- Joint & Soft Tissue Injuries
- Treatment for Motor Vehicle Injury
- Treatment for Work Injury
- Chronic Pain Conditions

We provide thorough and professional assessment (all treatments at least 30 mins) and effective "HANDS ON" manual treatments and other services include:

- Manipulative Therapy
- Meridian Therapy / Acupuncture
- Soft Tissue Release Technique
- Pilates & Smart Ball Based Programs
- Pain Education & Management
- Orthotic Therapy
- Exercise & Rehabilitation Programs for Gym & Pool
- General Physiotherapy
- Electrotherapy
- Postural/Biomechanical Assessment

People who are involved with WorkCover, Motor Vehicle Accident, Department of Veteran Affairs and Medicare approved patients will require a Doctor's referral to see the Physio

Lower fees are applicable for senior citizens and pensioners
